SUBJECT: T LETTER OF THANKS TO NETHERLANDS MFA OFFICIAL  
FOR PSI 5TH ANNIVERSARY PRESENTATION

REF: STATE 023570

11. SUMMARY AND BACKGROUND: The Netherlands MFA Deputy Director-General for Political Affairs, Wim Geerts, gave a presentation at the Senior-Level Meeting for all states endorsing the Proliferation Security Initiative (PSI) held May 28, 2008, in Washington, DC, on the occasion of the PSI's Fifth Anniversary. Geerts described obstacles in implementing the PSI and possible solutions to them, during the opening panel on taking stock of the first five years of the PSI. The PSI Senior-Level Meeting was attended by representatives of 85 countries, almost all of the 92 states that have endorsed the PSI.

12. ACTION REQUESTED: Embassy is requested to deliver under appropriate cover the following letter from Acting Under Secretary John Rood to MFA Deputy Director-General for Political Affairs Wim Geerts, thanking him for his role in the PSI Fifth Anniversary Senior-Level Meeting. The State Department does not plan to release the text of this letter but has no objection if the Government of The Netherlands wishes to do so. There will be no signed original.

13. Begin text of letter:

Dear Mr. Geerts:

On behalf of the U.S. Government, I want to thank you for your presentation describing obstacles in implementing the PSI and possible solutions to them, at the opening panel of the May 28, 2008 Senior-Level Meeting for Proliferation Security Initiative (PSI) participants in Washington DC. Your presentation made an important contribution to the meeting. This panel was a good way for the meeting participants to take stock of the first five years of the PSI, including the views of The Netherlands and several other key PSI partners.

I believe the PSI Fifth Anniversary Senior-Level Meeting was very successful in reaffirming the strong commitment of the PSI partner states to respond to the WMD proliferation challenge. It also provided the participants from 85 countries an opportunity to strengthen communication with one another. We hope this event will result in expanded participation in PSI activities, particularly on a regional basis. The United States recognizes that The Netherlands plays a significant role in the PSI, and we greatly appreciate your Government's continued efforts and contributions to advancing the PSI goals.

Sincerely,

John C. Rood  
Acting Under Secretary of State for Arms Control and  
International Security
